Dear Student Athlete,

**Ed Guice's Ohio Hoopsters and Victory Sports Enterprises, LLC will host its 12th annual "Ed Guice's Ohio Cup Challenge Shootout" (formerly the "Nike Hoop Challenge Shootout") on Saturday April 18, 2009, in Columbus, OH.** The Cup Challenge is an event in which top players from Ohio and other states, in grades 9-12, are given an opportunity to showcase their talents in front of the nation's premier college coaches. **We had over 150 girls participate last spring and fall with numerous college coaches in attendance.** Many student-athletes have been discovered and have earned scholarships while participating in this excellent College Exposure event during their Middle School and High School basketball careers.

**Ed Guice's Ohio Hoopsters and Victory Sports Enterprises, LLC have direct connections with over 300 college coaches and each has been extended an invitation. Every major college in Ohio has been invited, and may attend this Cup Challenge event. College coaches from the nation's top basketball conferences, such as the Big Ten, PAC Ten, Big Eight, ACC, SEC, MAC, MCC, Conference USA, NCAA Division II and III schools, NAIA schools, and Junior Colleges have traditionally been in attendance.** Also in attendance this year will be various scouting services. **This is an NCAA sanctioned event.**

**The cost of the Cup Challenge is \$75.00. Each student-athlete will receive a numbered T-shirt so that the college coaches may identify you from the participant program provided to them.** Each team consists of ten players or less who will participate in four games (or more) and receive equal playing time. If you would like to be a participant in this event, please complete the form below and return it with your payment no later than **Saturday, April 4, 2009 via mail, or Tuesday, April 14, 2009 if you choose to register on line (www.vsebasketball.com).**

**Directions to the playing sites, information on the MANDATORY NCAA meeting, and your individual playing times will be posted on this website no later than Wednesday evening, April 15, 2009.**

**This event meets Ohio High School Athletic Association (OHSAA) Bylaw 10-3-3 for non-interscholastic competition. This is an NCAA sanctioned event.**

If you have any questions, please contact Ed Guice (614-625-6796) or Wes Hockman (614-353-5850).
